

Learn at Home with PBS KIDS

Sharing Your Creativity BINGO

Learn at Home with PBS KIDS

Hello, Families!

Welcome to **Learn Along Bingo**! We're happy to share PBS KIDS activities with you and to work with PBS member stations and community partners across the country to help support learning at home. With Learn Along Bingo, children can view, explore, and play as they learn alongside their PBS KIDS friends on the PBS KIDS 24/7 channel. We hope your family will use it to inspire learning each and every day.

It's Sharing Your Creativity Week!

In this packet, there are printable activities and everyday learning ideas for you and your child to choose from. As you complete each square, mark it off to celebrate the learning.

Learning Spotlight: Developing New Artistic Ideas

This week, we're learning how envisioning and developing new artistic ideas helps us to express our thoughts and feelings in different ways.

Show What You Know: Coupons

The last activity in this packet is a perfect way for children to share new artistic ideas.

Ready for more? Watch your favorite PBS KIDS shows on the 24/7 channel and live stream at pbskids.org/video/livetv or on your local PBS station.

Happy learning!
